Over the past years, the NB Booster Club has been very important to the student/athletes at North Butler High School. Their generous support has allowed the athletic programs to purchase equipment, uniforms, offer scholarships, and opportunities to enhance athlete's skills and experiences. These "extras" would not have occurred without the continued support of the membership and local businesses.

We extend a THANK YOU to all of the NB Booster supported members that have shown their support over the years.

Prizes will be award to each flight winner.
