## Join The Bearcat Booster Club

The Bearcat Booster Club supports 15 sports by providing resources for the athletes that may not otherwise be available.

The Board coordinates activities and volunteer efforts that raise money to benefit the youth in our school district. Additionally, your booster club provides money for the expenses incurred during state and local tournament participation.

Up to \$3,000 in scholarships (\$500/individual) may be available to athletes of active Booster Club Members.

One of the major sources of revenue comes from concessions, but it also requires many hands to be successful to provide good concessions for the fans. Please volunteer to enable your club to efficiently provide the services for these events. Working together builds school spirit and lasting friendships. Do your part and volunteer today!
